Oak and walnut table and box, Chris Valiquette

Bring your project!

Member Demo: Sharpening handtools

With Pat Hoban

Learn effective sharpening techniques from Pat during our member demo!

Chris accepting his prize; a gift card courtesy of Lee Valley Tools

Please join us for the PS1 Woodworkers Club meeting on **August 9th 7 PM** in the PS1 general member space. There will be pizza and drinks! Members are encouraged but not required to bring their own projects to present to the group. We would love to see what you are working on! All are welcome, no prior woodworking experience needed.

Check out our last meeting here!
